## NEW BOOK DISCUSSES CHALLENGES & OFFERS HOW-TO FOR SUCCESS

### “JOBS: WHY YOU ARE ALREADY SUCCESSFUL “

Treasure Island, FL, October 26, 2015– Author Emerald Wilson-Bey peels back the skin on the

Common and uncommon issues that plague America’s workforce, the How-To guide immerses the reader into its chapters, such as *Mind Body Spirit, Financial Responsibility, Upbringing* and more.

The author touches on issues ranging from education, self-employment, entrepreneurship, careers, industries and funding.

*“And be careful with **anchor goals**, try to avoid ones that may be harmful to your image later or your businesses down the line ... “*

With its New Year’s Day release, the pages hope to incite a movement in every reader of all working ages, citing its age 16 and up provision. The author very thoroughly is acknowledging their concerns, no doubt and speaking of them while encouraging them to keep going. The author dedicated vast time to research, from industry to industry, wanting to understand and decipher for the books content. She reveals classic remedy options for growth economically and being gainfully employed, such as avoiding poorly ran companies, the power of the resume, what not to wear and more. It is written as a Self-Help guide for beginners or veterans who are career and goal oriented.
